EDITIE 2026

Het vijfdaagse Bijbelleesrooster

Lees in 2027 de hele Bijbel, of alleen het Nieuwe Testament.

Met dit bijzondere leesrooster lees je in één jaar de hele Bijbel (of alleen het Nieuwe Testament), terwijl je maar vijf keer per week leest. Vijf lezingen per week geven ruimte om een achterstand in te halen, of om een dag vrij te nemen voor ander bijbellezen of andere geestelijke oefeningen. Zo wordt dagelijks bijbellezen praktisch en haalbaar.

Hoe het werkt

De lezingen uit het Oude Testament staan zo veel mogelijk in chronologische volgorde. Zelfs de Psalmen worden waar mogelijk gelezen op de plek waar ze in de geschiedenis van Israël thuishoren; daarom lijken sommige profeten, met name Jeremia, ‘uit de volgorde’ te staan. De enige uitzondering is Job, waarschijnlijk het oudste boek van de Bijbel. Het staat aan het eind van het rooster, omdat het elders moeilijk in te passen is. De lezingen uit het Nieuwe Testament spreiden de evangeliën over het hele jaar, zodat je steeds weer terugkomt bij het leven en het onderwijs van Jezus.

Lees altijd in de volgorde waarin de lezingen op het rooster staan. Staat er bijvoorbeeld een gedeelte uit Kronieken vóór Koningen, lees dan eerst Kronieken. Zet na elke lezing een vinkje in het vakje. Je zult versteld staan hoe snel je al ver in het jaar bent en nog steeds regelmatig je Bijbel leest! Veel mensen hebben met dit rooster hun doel van regelmatig bijbellezen bereikt, en dat kun jij ook. Gods zegen rust op wie Zijn Woord leest, begrijpt en ernaar leeft. Moge deze leeswijzer je helpen dat mooie doel te bereiken.

‘Uw woord is een lamp voor mijn voet en een licht op mijn pad.’
